Moore Catchment Council recognised at Regional Awards

The Regional Achievement and Community Awards selected Moore Catchment Council (MCC) as a finalist in the CSBP Environment Award category this year. The aims and objectives of The Regional Achievement & Community Awards are to encourage, acknowledge and pay tribute to individuals, communities, businesses and groups who are making a significant contribution to regional and rural areas.

MCC is a community driven not-for-profit organisation set up in 1995 to *“maintain and improve the health of the Moore River environment by communicating natural resource management and encouraging maximum sustainable use of resources.”* MCC works at grass roots level to build community capacity in conserving the Moore River catchment against current and impending threats. Achievements include the successful completion of 39 projects to the value of \$4.5 million over the past 19 years, with 8 more projects in progress. Rachel Walmsley NRM Officer at MCC said “it was a great honour to have been selected as one of the four finalists in the CSBP Environment category this year – everybody at MCC was excited to attend the award ceremony on the 14th November at the Perth Exhibition & Convention Centre. We didn’t win but we still had a hugely enjoyable night ! Well done to Karratha Enviro Group who took home the \$2000 prize.”

MCC committee accept finalist certificate in CSBP Environment Award category
