Native seed collection
workshop

Join Moore Catchment Council and

APACE nursery to learn how and when to collect seed from native dune species

Learn to identify native dune plant species and species which are weeds

Help collect local provenance seed to propagate for the June 2017 North Guilderton dunes community planting day

When: Friday 9th December 2016
Where: Meet at car park above North Groyne, Guilderton
Time: 9:00am until 12:30pm. Lunch provided. (Option to carry on collecting post lunch)
RSVP: Rachel 9653 1355 / 0409 296 264 or mcc.nrmo@bigpond.com

- Please be sun smart, bring a hat, wear closed shoes and long trousers. We will be in the bush and there are lots of prickly plants !
- Bring secateurs and gloves if you have them
- Bring a water bottle with plenty of water - seed collecting is thirsty work

This Moore Catchment Council project is being funded through NACC's coastal program funded by the Australian Government's National Landcare Program
