

10 years of

Saltbush Oil mallees Brushwood
Strategic tree planting

What have we learned & what is the future?

Join Moore Catchment Council at Gabalong farm to celebrate 10 years of saltbush, brushwood, oil mallee and strategic tree planting projects .

What worked, what didn't, what is the future?

Have a look at Les Crane's new Anameka saltbush, strategic oil mallee/ saltbush grazing systems, brushwood and oil mallee plantations

Speakers:

- ♦ Dr Hayley Norman (CSIRO) - Anameka saltbush and the evolution of saltbush fodder systems;
- ♦ Brett Bowman (Bowman Brush) - Brushwood industry and harvesting brushwood

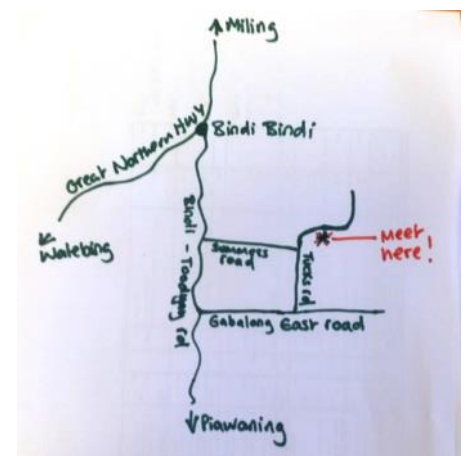

When: Thursday 26th October 2017

Where: Gabalong Farm, Tucks road, Gabalong.
(30km south of Miling, 50km east of Moora) Look for signs on road north of farm on bend. Meet in paddock for field walk.
