Carnaby sculpture Moora location voting form

Where would you like the Big Carnabys sculpture to be located in Moora?

Considerations

- **Safety** - pedestrians crossing roads, road trains, traffic control, nearby parking for cars/caravans, signage
- **Visibility of sculpture** - room for photographs, easy to find in town, not hidden by trees/buildings
- **Centrality** - accessibility to amenities (shops, toilets, cafes), car parking, near to other tourist
- **Infrastructure of surrounds** - location upgrades needed ie need for bitumen, parking, lighting, cameras

Please vote 1 - 6 in order of preference (1 = most preferred 6 = least preferred)

- A. Opposite bakery
- B. Sculpture Park
- C. Opposite Shire building
- D. IGA carpark
- E. Corner of Clinch & Roberts St
- F. Apex Park
